### ***Kinanis LLC Voluntary Blood Donation Event***

The Law Firm Kinanis LLC organised a voluntary blood donation event which took place on the 17<sup>th</sup> May 2012 at the premises of Akamantis Conference and Exhibition Centre located at 10 Egypt Street, 1097, Nicosia, Cyprus between 2.30pm and 5.30pm.

The organisation of this event was a response to the continued appeal from the Cypriot Blood Bank for the donation of blood for those citizens in need. Hence, as not only part the firm's awareness for this need to donate blood but also as part of the firm's social responsibility which dominates it, the aim of the event was achieved.

Bearing in mind that the gift of blood is a gift of life, the firm will continue to organise such social events in the future with the main aspiration being that of helping the community and its people.
